Southwestern Minnesota Synod Assembly

Housing Information

April 17-18, 2010

Redwood Falls Area Community Center, Redwood Falls

Reminder: Housing is NOT included in registration.

Housing Information

Many, if not most, synod assembly voting members will commute to the assembly in Redwood Falls. Others will want to secure lodging in the greater Redwood Falls area. The following information is for them:

1. **Please remember that every congregation/individual is responsible for making all lodging arrangements, including payment. The assembly registration fees for 2010 do not cover any lodging.**
2. The synod staff has asked the hotels listed below and on the reverse side to set aside blocks of sleeping rooms for the nights of April 16 and 17. It is your responsibility to call the hotel of your choice and **reserve** the lodging you need for the night(s) you wish to stay in the area.
3. Availability of rooms is on a "first come, first-served" basis. Please make your room reservations as soon as possible. **Rooms that have not been reserved by the dates indicated below and on the reverse side will be released by the hotels and thus available to the general public.**
4. All hotel room price information printed is "per room" for **double** occupancy lodging, unless otherwise noted.
5. When you contact a hotel, please mention that you want to reserve a room within the **Southwestern Minnesota Synod Assembly** block of rooms.
