

2023 Annual Report to the Synods

Wartburg College is dedicated to challenging and nurturing students for lives of leadership and service as a spirited expression of their faith and learning.

Guided by our vision, we are answering the call to prepare resilient leaders of positive change for service in a complex world. This will be realized by building on our distinctives and embracing new opportunities to be the leading institution in educating the whole person.

Enrollment

- Fall 2023 enrollment was 1,472 students from 41 U.S. states and 44 countries, which includes 196 U.S. students of color and 92 international students. More than 20 Christian denominations and several world religions are represented. Our enrollment saw its largest year-to-year percentage increase since 2016.
- The five majors with the highest enrollment are business administration, biology, exercise science, elementary education, and psychology.
- The online Master of Arts in Leadership program enrolled a new cohort of eight students as well as one pursuing the Graduate Leadership Certificate.

Strategic Positioning

- After almost two years of research and planning, the college announced the Wartburg Commitment, a new pricing model and value proposition designed to help students consider, afford, and experience Wartburg College. Starting in Fall 2024, the comprehensive program includes a new competitive price, reduced financial barriers for lower- and middle-income families, and funding to increase access to immersive experiences.
- A new Wartburg brand, Experience More, was launched in conjunction with the Wartburg Commitment. Extensive research found the distinctive experiences students have at Wartburg involve a nurturing community, connection, and engagement. These common threads of the Wartburg experience resonate with students, faculty, staff, and alumni.

Academic and Co-Curricular Programs

- The first 15 students to earn a master's degree from Wartburg College graduated in May with a Master of Arts in Leadership.
