This Equipping Day will focus on many aspects of worship, from specific how-to ideas, to creative imaginations, to ways to welcome all people and extend the kind of hospitality that leads people to want to come back again and again and be part of this loving community.

"How can we get more people back in worship again?" Most of us are asking this question. Why? Not only because we miss seeing one another; that's important! We also believe that worship is the primary gathering of God's people around word and sacrament. Worship gathers us in - all of us, no matter who we are, where we come from, what we think, whatever the burdens we carry. We come, just as we are. But we don't stay in worship. The word and sacraments send us out to love God and our neighbors every day. And so we get to live in a beautiful rhythm of God gathering us in and then sending us back out into God's mission.
