

DEVELOP SERVANT LEADERS

A funding initiative for the people and congregations of your synod.

Core to this vision is the belief that God is leading us to invest in the development of faithful and effective servant leaders – lay leaders, professional leaders, and rostered leaders alike.

Key areas where investment is already started:

At least 4 lay evangelists have received training at Joy Ranch in South Dakota. More coming!

45 rostered leaders and spouses attended “Ministry and Money” “Four cornerstones of Financial Literacy” offered in October 2017

Scholarships for 8 rostered leaders to be trained at Executive Certificate for Religious Fundraising

39 clergy received support for educational debt through the Ministerial Excellence Fund seminar

We do MORE! We invite your financial gift that fits your capacity and passion to support these and other ministries. Mail a gift to SW MN Synod, PO Box 499, Redwood Falls, MN 56283 or make a one-time gift online, set up an automatic EFT payment for recurring gifts online, or make a pledge. Please visit www.swmnelca.org/funding_initiative.

For more information or to speak with someone about a gift, please contact Southwestern Minnesota Synod at 507-637-3904.
