

BUILD A MINISTERIAL EXCELLENCE FUND

A funding initiative for the people and congregations of your synod.

As a key part of our Embrace God's Mission + Equip God's People funding initiative to raise \$2.5 million, we are called to free up our rostered ministers from seminary debt in order to speak clearly about the role of money in their life and in the lives of their congregational members. The goal is to grow generosity as a witness to God's work!

A generous Lilly Endowment, Inc. matching grant of \$250,000 got us started. Through a Ministerial Excellence Fund, our goal is to enable our pastors to speak with authority about their own relationship with money. In order to do this, together we seek to:

- Reduce burdensome educational debts
- Meet difficult emergency medical expenses
- Prepare for retirement with greater pension equity

Nearly \$100,000 has been distributed! We do MORE! We invite your financial gift that fits your capacity and passion. Mail a gift to SW MN Synod, PO Box 499, Redwood Falls, MN 56283 or make a one-time gift online, set up an automatic EFT payment for recurring gifts online, or make a pledge. Please visit www.swmnelca.org/funding_initiative.

For more information or to speak with someone about a gift, please contact Southwestern Minnesota Synod at 507-637-3904.
