

ENHANCE LOCAL AND GLOBAL MISSION

A funding initiative for the people and congregations of your synod.

The deep listening done in our synod revealed the call to engage in development of local and global mission strategies that help fight local hunger and put into practice building communities both locally and globally.

Financial resources gathered have helped us:

Send five young adults to our South African companions to strengthen relationships.

Package food for more than 255,000 people in SW MN through "Better Together" in St. Cloud.

Improve outreach to new ethnic groups in our communities.

"Better Together" events address both hunger and building relationships. These are scheduled in Willmar and Worthington. More are being planned in other communities!

We do MORE! We invite your financial gift that fits your capacity and passion to support these and other ministries. Mail a gift to SW MN Synod, PO Box 499, Redwood Falls, MN 56283 or make a one-time gift online, set up an automatic EFT payment for recurring gifts online, or make a pledge. Please visit www.swmnelca.org/funding_initiative.

For more information or to speak with someone about a gift, please contact Southwestern Minnesota Synod at 507-637-3904.
