

Personnel Committee

The personnel committee exists to provide consultative support to the Bishop and his staff including synod ministers and support staff for matters regarding personnel policy.

We would like to thank Rev. Dwaine Bruns, Lisa Barto, Tamie Bremseth and Robert Golmstad for their service on the Personnel Committee these past years. They have completed their terms and/or have resigned their positions. Their work is greatly appreciated. We would also like to welcome Phil Larson, Roseann Nagel & Greg Spath as they join this committee.

Each fall, the personnel committee conducts annual individual conversations with our pastoral and support staff in the effort to help support and celebrate the good work and commitment shown by our entire staff as we all work to do God's work in our Synod. We give thanks for all of them and rejoice in the work that has been done, and look forward to where God leads us.

The personnel committee met with the Management and Mission committee to help the members of the Personnel committee better understand the budgetary needs regarding staff and personnel. Suggestions were made to the Management and Mission committee for the upcoming budgets.

Respectfully submitted,

Rev. Leslie Knutson, Chair

Members of the committee: Rev. Leslie Knutson (Chair), Phil Larson, Roseann Nagel, Greg Spath, Synod V. P. Gwen Arneson as Liaison, Bishop Jon Anderson participates in each meeting assisting with the decision- making process.
