Thinking of You Cards for Nursing Home Residents & those who are homebound during the Holidays

*“I will be with you when you walk through the waters, I will be with you”
Isaiah 43:2*

As we walk through the waters of Covid, consider sending a message of cheer to those facing this Holiday Season alone. Let them know you're thinking of them.

1. Ask your church office for a list of homebound and nursing home members and their addresses
2. Make 2 or more home-made greeting cards (or use store bought cards)
3. Write a Thinking of You message for the Holidays
4. Address and mail your cards
