

## Rostered Minister Worship Supply List

(updated June 29, 2021)

We have asked those on our worship supply lists to indicate which formats for worship they are comfortable with during this time of COVID-19. This list will be updated as we receive responses. If a rostered minister's preference re: travel distance or worship are not included here, please contact the individual for more information.

**Guidelines:** For Sunday mornings and midweek services, the congregation or parish shall compensate the supply pastor or worship leader \$150 for the first worship service, plus \$50 for each additional worship service on the same day. Auto reimbursement shall be at the current IRS standard mileage rate (\$.56 per mile effective Jan. 1, 2021).
